MEMORANDUM FOR

THE DIRECTOR OF CENTRAL INTELLIGENCE

I would like to underline some comments I have just made on a young man your agency has been kind enough to detail to my staff for the past four years. [redacted] has worked far above his grade here and I feel deserves your consideration for immediate promotion. He has been in grade GS-13 for two years as of 8 December. He will be with us for another tour, but I am sure you would find no problem in putting him to good use as a GS-14.

STAT

I hesitate to intrude in this delicate area. However, I feel obligated to pass on my observations since we've kept [redacted] so busy here that your people have had very little chance to see him in action over the past four years. I want to be absolutely sure his working outside the agency's daily rounds does not hurt him.
